**THE LOGISTICS NETWORK INC. CELEBRATES ITS 8TH
ANNIVERSARY.**

(Dumont, N.J., July 1, 2007) On July 1, 2007, Logistics Network Inc. celebrated its 8th anniversary. Starting initially as the entity behind the web site, logisticsnetwork.com, Logistics Network Inc. has expanded over the years to encompass multiple Web portals such as Export Info (www.export.info), Impressive Importing (www.importing.ws), and LogisticsBooks.com (www.logisticsbooks.com); an active training and consulting practice; as well as the publishing house for Mike Stroh's titles.

We extend our thanks to all of our loyal clients over these eight years and look forward to many more years together.
